## Rumored Sale of a Colliery.

WILKESBARRE, Penn., Nov. 22.—It is rumored here that the Wilkesbarre and Easton Railroad Company has purchased the Pine Ridge Colliery for \$250,000. This colliery has been operated for years past by the Delaware and Hudson Coal Company under a lease, which expires April 1, 1893. The present owners of the Pine Ridge Colliery are Miner and Thomas of this city, who are also largely interested in the Wilkesbarre and Easton Railroad Company.
