OVER

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantor, and whenever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special column describing land by all the grantors commonly conveyed, on the horizontal line devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."

GRANTOR INDEX TO DEED BOOKS  
AS THE OFFICE FOR RECORDING  
DEEDS IN THE LACKAWANNA CO.

Every column and line on this page must be filled by the Recorder with the appropriate information  
so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land  
described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same  
block, similarly designated when all such lots, if space permits shall be shown on the same line; and in the  
proper columns there must be shown the whole number of separate parcels of land described in the deed.

The name of month shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantor, and whenever a second, or other grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the second or subsequent grantor shall be shown on the same line and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

INDEX TO DEED BOOKS  
OFFICE FOR RECORDING  
DEEDS IN THE COUNTY OF LACKAWANNA CO.

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantor, and wherever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special column describing land by all the grantors commonly conveyed, on the horizontal line devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be drawn to every grantor, and wherever a word, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the word 'and' is to be inserted between the names of the grantors commonly conveyed, as the horizontal line drawn to the second or other immediately following subsequent grantor shall all be filled by the use of the word 'and'.

OVER

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be drawn to every grantor, and whenever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special columns describing land by all the grantors commonly conveyed, on the horizontal lines devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."

so far as given in this book, conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

Table with columns: DEED BOOK (VOL, PAGE, MONTH, YEAR), GRANTEE, LOCATION OF LAND (CITY, BOROUGH, WARD, Road or Street, Boundaries), GRANTEE, LOCATION OF LAND (CITY, BOROUGH, WARD, Road or Street, Boundaries). Rows include various land grants from the Delaware & Hudson Canal Co. and other companies to individuals and other companies.

OVER

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. This horizontal line is to be devoted to every grantor, and whenever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special column describing land by all the grantors commonly conveyed, on the horizontal line devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."

Table with columns: LOT NUMBERS OR LETTERS, Block, NAME OF PLOT MAP OR ADDITION, DESCRIPTIVE MATTERS TO BE SHOWN ONLY IN CASES WHERE THE PROPERTY CONVEYED IS NOT DESIGNATED BY REFERENCE TO LOT NUMBERS OR LETTERS, DATE OF ACKNOWLEDGEMENT, DATE OF RECORDING. Rows include lot numbers and descriptions of land parcels, often mentioning 'D.H. Co.' and 'Serafenton'.

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

116 INDEX TO DEED BOOKS  
 IN THE OFFICE FOR RECORDING  
 DEEDS IN THE TOWNSHIP OF LACKAWANNA CO.

Every column and line on this page must be filled by the Recorder with the appropriate information as far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds, conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantor, and wherever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special columns describing land by all the grantors commonly conveyed, on the horizontal lines devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."
