Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantor, and whenever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special column describing land by all the grantors commonly conveyed, on the horizontal lines devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."

OVER

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantor, and whenever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, or special column describing land by all the grantors commonly conveyed, on the horizontal lines devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be drawn to every grantor, and whenever a second or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special columns describing land by all the grantors commonly conveyed, on the horizontal lines devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds, conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

Item No.	DEED BOOK			Date of Instrument			GRANTOR	GRANTEE	LOCATION OF LAND		Road or Street Boundaries
	VOL.	PAGE	DAY	MONTH	YEAR	CITY, BOROUGH OR TOWNSHIP			Ward		
							See page 33				
	385	45	17	July	1888		Delaware Sack & Western RR Co	Grinning, Michael	Old Forge		Taylor
	327	33	24	Aug	1899			Halkin James	Glenburn		
	327	444	4	Apr	1898			Griffith John L	Taylor		Main, Chambers

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantor, and whenever a second, or other joint grantor, immediately on the next line follows a first or other preceding grantor in the same deed, the special columns describing land by all the grantors commonly conveyed, on the horizontal lines devoted to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same."
