INTERSTATE COMMERCE COMMISSION REPORTS
VOLS. XII-XXIII

DIVISION OF INDICES

WASHINGTON
1912

LETTER OF TRANSMITTAL.

INTERSTATE COMMERCE COMMISSION,
DIVISION OF INDICES,
July 1, 1912.

MR. JOHN H. MARBLE,
Secretary Interstate Commerce Commission.

SIR: Volume 15 of the opinions of the Commission contains, as an appendix, a table of commodities involved in the decisions of the Commission up to and including that volume.

It has become necessary to bring this table to date. Supplements have been issued each year, but there are now more than a thousand cases not in any list.

It is thought best to include the commodities not only of the reported opinions but of the unreported reparation opinions and the memorandum opinions, both briefed at the end of the volumes of our reports, in order to locate the final disposition of any formal case if the commodity only is recalled.

This list, to be of widest use to the office, includes all the cases from volume 12, the first issued after the amended act of 1906, up to and including volume 23, and covers above 2,800 cases disposed of to date.

Respectfully submitted.

HENRY TALBOTT.
